

Tryout Attendance and Guarantee Matrix Spring 2019

NOTE:

- West Raleigh Fall Players do NOT qualify as 'Returning WR Players' unless they played in WR the prior Spring season
- In order for sibling guarantee to be in effect, the sibling must have played in WR during the prior Spring season and be registered and play this Spring season
- Any guaranteed player who chooses to tryout and re-enter the draft to attempt to be placed on different team will lose guaranteed status and must complete a Draft Re-Entry Request and submit it to the BOD.

Modified Coach Pitch League

- 5 and 6 year olds do NOT have to try out for the Modified Coach Pitch league.
- Guarantee rules do not apply to Modified Coach Pitch players. Returning MCP players are considered New to WR, **with the exception that 6 year old players who played in the MCP in the prior Fall or Spring season will be given priority in the MCP only.** Siblings (of any age) of Modified Coach Pitch players are NOT guaranteed a roster spot in any league.
- *** Guaranteed 6 year olds in the Spring (5 years old in the Fall), per the sibling rule, will continue to be guaranteed a spot at West Raleigh, but must try out to be placed on a Minor League team unless they have a sibling already on a ML team. If they are not selected to a Minor League team, they will be assigned to the MCP league.
