

Tryout Attendance and Guarantee Matrix - Spring 2022

NOTE:

- ☐ Fall Players do NOT qualify as 'Returning WR Players' unless they played in WR the prior Spring (2021)
- ☐ For a sibling guarantee to be in effect, the sibling must have played at WR in the past and be registered to play this upcoming season
- ☐ Any guaranteed player who chooses to tryout and re-enter the draft to attempt to be placed on different team will lose guaranteed status and must complete a Draft Re-Entry Request and submit it to the BOD.

Modified Coach Pitch League

- ☐ 5 & 6-year old's do **NOT** have to try out for the Modified Coach Pitch league.
- ☐ Guarantee rules do not apply to Modified Coach Pitch players. Returning MCP players are considered 'new' to WR, **with the exception that 6-year-old players who played in the MCP in the prior Fall or Spring (2021) season will be given priority in the MCP league ONLY.** Siblings (of any age) of MCP players are NOT guaranteed a roster spot in any league.
- ☐ *** Guaranteed 6-year old players in the Spring, per the sibling rule, will continue to be guaranteed a spot at West Raleigh, but must try out to be placed on a Minor League team. If they are not selected to a Minor League team, they will be assigned to the MCP league.
