

West Raleigh Baseball Tryout Matrix - Fall 2022

NOTE:

- ☐ Players do NOT qualify as a 'Returning Player' unless they played in WR the prior Spring season or Fall season
- ☐ For a sibling guarantee to be in effect, the sibling must have played at WR in the past and be registered to play this upcoming season (not applicable to 13U and older)
- ☐ Any guaranteed player who chooses to tryout and re-enter the draft to attempt to be placed on different team will lose guaranteed status and must submit an official request in writing to the WRBA Board of Directors.

Modified Coach Pitch (MCP) League

- ☐ 4 & 5-year old's do **NOT** have to try out for the Modified Coach Pitch league.
- ☐ Guarantee rules do not apply to MCP players. Returning MCP players are considered 'new' to WR. Siblings (of any age) of MCP players are NOT guaranteed a roster spot in any league.
- ☐ ***Guaranteed 5 years old (Fall), per the sibling rule, will continue to be guaranteed a spot at West Raleigh, but must try out to be placed on a Rookie League team unless they have a sibling already on a Rookie League team. If they are not selected to a Rookie League team, they will be assigned to the MCP league.
